EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment, which places this application in condition for allowance. During a telephone conversation conducted on June 11, 2004 with Brett Freeman, requested an extension of time for 2 MONTH(S) and authorized the Director to charge Deposit Account No. 10-0750/J&J 2076/BF the required fee of \$420.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 5, line 4, after "nonionic solubilizer;" insert therefore ----about 0.05 to about 5% chamomile;---

2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest the cleansing composition with each of the claimed ingredients in their requisite proportions. Accordingly, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
